## BC Dairy Quota Policy & Governance Consultation

### Regional Meeting Schedule | September - October 2013

The BC Milk Marketing Board is conducting a consultation with the support of the BC Farm Industry Review Board (BCFIRB) that will be used to develop an effective long term quota allocation and governance policy. The Milk Board has developed a Discussion Paper in support of the consultation, which will be released in early September for review and feedback. Further details and information will be provided when the discussion paper is released and consultation is initialized.

In order to ensure participation in the consultative process, the Milk Board is advising a series of regional face-to-face listening sessions with dairy industry stakeholders will take place in September & October 2013. Please review the regional meeting schedule below for a meeting in your area:
