Quota Exchange Procedure

Quota Exchange application forms must be received in the BCMMB office or KPMG by **1:00pm** on the 1st working day of the month in which the exchange is to be run.

The quota exchange will be run on the 7th day of each month. If the 7th falls on a weekend or other non-working day, the quota exchange will be run on the next working day after the 7th day.

If any seller's quota remains on the exchange, the next quota exchange will be run within two weeks with a price decrease of \$500 per daily kg.

All Priority Seller's quota not cleared on an exchange will be automatically added to the next exchange, and subsequent exchanges if necessary, until sold, at the published current exchange price.

If a second quota exchange is necessary, all Buyers & Sellers (EXCEPT uncleared Priority Sellers from the previous exchange(s)) are required to submit a new quota exchange application form. Application forms must be received in the BCMMB office or KPMG by **1:00pm** on the 14th day of the month in which the exchange is to be run. If the 14th falls on a weekend or other non-working day the application form must be received by the BCMMB office or KPMG by **1:00pm** on the next working day of the month in which the exchange is to be run. The quota exchange will then run on the 19th day of the month. If the 19th falls on a weekend or other non-working day the quota exchange will be run on the last working day before the 19th day.

The balance of funds owing for Quota Exchange purchases are due on the 23rd day of the month in which the exchange has been run. If the 23rd falls on a weekend or other non-working day, the balance will be due on the last working day before the 23rd day.
